Subject: Leed Green Building Rating System

Dear Steve,

Hamilton Specialty Bar (2007) Inc. is pleased to assist Teme Inc.'s participation in the LEED Green Building Rating System as outlined by the Canada Green Building Council. As a material supplier to Teme Inc., our participation would be limited to the Credit 4.1 & 4.2 Recycled Content and 5.1 & 5.2 Regional Materials sections. We are also a registered ISO14001 Environmental Management System company regularly audited on our environmental performance.

Recycled Content 4.1 & 4.2

Our raw materials are 100% scrap steel of which 60% is post consumer. We internally recycle 12 % industrial within our own process and the 28% balance is from other industrial sources.

Regional Material 5.1 & 5.2

Our raw materials are sourced from less than 800 km (500 miles).

I trust that this information will meet your needs. If we can be of any further assistance please call.

Yours truly

Mark Cheshire
